

# OUR VALUES

## We Build Relationships

- Earning the trust of our clients
- Committed to safety, quality and communication
- Diverse, engaged subcontractor network
- Post-construction service and support
- Committed to our values, goals and objectives

## We Build Communities

- Giving back to local communities since 1959
- Creating structures that are beautiful and lasting
- Facilitating career and advancement opportunities
- Embracing diversity and workforce development
- Fulfilling all legal and applicable requirements

## We Build The Future

- Global perspective, locally focused
- Embracing innovation and technology
- Maintenance programs to support our clients
- Committed to continuous improvement

Working with integrity and commitment.

It's how we approach every job and reflects the value, quality and experience of our team.

Trusted Building Partners since 1959, Lindsay Construction offers a collaborative approach and depth of self-performing capabilities, from project design, engineering and construction, through service work and maintenance plans.

*The result? A quality, cost-effective and integrated building experience delivered **The Lindsay Way.***
