

**AVOID COSTLY WORKPLACE INTERRUPTIONS
VIA REGULAR INSPECTIONS AND PREVENTATIVE
MAINTENANCE PLANNING**

MAINTENANCE PLANS

LindsayTech Maintenance Plans are designed to maximize the lifespan of your building, which reduces repair and energy costs while offering worry-free occupancy. Plans offer priority response, periodic inspections, warranty management and recommendation reports to ensure required preventative maintenance and repairs are made. This helps prevent small problems from becoming costly, larger ones.

Choose one of the following LindsayTech Maintenance Plans, or bundle all three for added cost savings and peace of mind:
